

**JOIN OUR TEAM AS A
WORKING STUDENT
VENTURE DEVELOPMENT (m/w/d)**

OCTOBER 2023

Do you want to join us in developing the KI Park into Europe's leading network of companies, startups, research, politics, and society in the field of Artificial Intelligence? Then you've found your dream job. We are currently looking for a working student - Venture Development (m/f/d) to join the team at the KI Park office in Berlin.

ABOUT US

Progress has never been as rapid, disruptive, and open to shaping as it is now. Digital transformation, and above all, the immense potential of Artificial Intelligence, promise a more sustainable and innovative world of tomorrow.

KI Park e.V. connects stakeholders and initiatives in the fields of Artificial Intelligence, both nationally and at the European level. Our member network includes about 120 companies, startups, NGOs, and societal actors, operating across Germany and Europe. Together, we are on a mission to deploy AI technologies for a leading position in key artificial intelligence technologies, a strong innovation hub, and a significant societal impact.

WHAT WE OFFER

- Work on cutting-edge topics and gain deep insights into industries and new technologies.
- Access to a vast network of startups and other players in the AI scene, as well as leading businesses.
- The opportunity to further develop yourself and grow
- An international, dynamic team with a startup spirit. We work with regular feedback, trust, and enthusiasm.
- Flexible working hours to accommodate your semester schedule.
- A fantastic office in Berlin, as well as the option to work from home.
- Teammates with a scientific background who can support you with your thesis.

YOUR TASKS

You will support the KI Park Venture Development Team in advancing the KI Park offering and in the implementation of projects and events - thereby bringing real value to the AI scene and our members.

- Understand the needs of our members and latest developments in the AI scene.
- Conceptualize new formats, workshops, and programs.
- Assist in the organization of startup and AI events in Berlin, Germany, and Europe.
- Implement innovative projects with KI Park members and the AI community.
- Support the development of the KI Park offering for startups, SMEs, and investors.

YOUR PROFILE

- You are a registered student at a university or college.
- You reside in Berlin or are regularly present in the area.
- You are in the late stages of your bachelor's degree or already in a master's program.
- You are looking for a longer-term commitment of at least 1 year.
- You can dedicate approximately 20 hours per week.
- You are a good listener, open-minded, and are hands-on in developing creative solutions to problems.
- You have organizational talent and work in a structured manner.
- You have an interest in the innovation, are passionate about startups, and support the mission of KI Park.
- You are fluent in English (spoken and written).

The position is to be filled soon. Apply by submitting your resume via email to Marc Karahan at marc@kipark.de. We look forward to getting to know you!
